

MAURITIUS SPECIAL OFFERS

Mauritius offers holiday makers beautiful, white sandy beaches which are naturally protected by a coral reef which almost encircles the entire island. The clear calm waters off the coast make conditions ideal for all kinds of water sports which include short yacht cruises to nearby islands, to parasailing high above the ocean, to deep sea big game fishing, submarine tours, golf or just catching up on that sun tan on the beach. From South Africa flying time is only four hours to reach this ultimate escape. Mauritius is an all year destination with a tropical climate, cooled by the gentle breezes of the Indian Ocean and lies just above the Tropic of Capricorn.
