Katakolon (Olympia), Greece – Olympia was built for the quadrennial games dedicated to Zeus during which all hostilities were ceased in the name of athletic competition. DAY 5 WED SANTORINI/ MYKONOS (Greece)

08h00 Arrive Santorini 14h30 Depart Santorini

The fame of Santorini is based on a towering cliff of 85 meters that was created by the cataclysmic eruption of a volcano around 3000 BC; many of the island's villages are perched on top of this cliff creating the best views of the Aegean Sea for present day visitors, this eruption also caused the demise of the Minoan civilization.

19h30 Arrive in Mykonos

Mykonos is the most famous tourist island in the Eastern Mediterranean and certainly the most cosmopolitan among the Cyclades. Mykonos easily captures the visitor's interest, there are whitewashed houses, proud windmills, busy back streets with balconies full of flowers and a multicoloured fleet of fishing boats in the port.
