

## ROMANTIC VICTORIA FALLS

**THE VICTORIA FALLS** have been billed as the greatest falling curtain of water on this planet, making it one of the Seven Natural Wonders of the World and its right on our door step. Known to the locals as "Mosi-oa-Tunya" – the smoke that thunders, it is remarkably preserved in its natural state and inspires visitors as much today as it did David Livingstone who commented "scenes so lovely must have been gazed upon by angels in their flight". The falls and the surrounding area have been declared a National Park and a World Heritage Site. Whether you are want to sip cocktails as the sun sets on the Zambezi River, relax in a colonial ambiance or feel the adrenaline pump as you navigate some of the best white water rapids in the world. Victoria Falls offers it all!
