Preamble

3 MultiChoice Nigeria is the holder of a direct-to-home broadcasting service licence in Nigeria.
MultiChoice Nigeria has an agreement with MultiChoice Africa as regards the provision of the MultiChoice Service in Nigeria. MultiChoice Africa provides the DStv service to subscribers in numerous countries in sub-Sahara Africa.

MultiChoice Africa, for MultiChoice Nigeria, acquires pre-packaged channels from channel suppliers and packages them into Bouquets.

Subscribers may request access to the MultiChoice Service for a minimum period of a number of complete months as determined by MultiChoice Nigeria from time to time.

MultiChoice Nigeria does not provide subscribers with –

7.1 access to stand-alone programmes, channels, features, facilities or applications; or

7.2 the option to subscribe for a portion of a month, although we reserve the right to do so in the future.

Subscribers may, twice in each calendar year, ask MultiChoice Nigeria to suspend their access to the MultiChoice Service for a fixed period of no less than seven and no more than 14 days, commencing 48 hours after we receive your suspension request in the manner determined by us from time to time. This suspension will automatically expire, and your access to the DStv service will automatically resume, upon the expiry of your requested period. If you wish to cancel or change a suspension request, we will make the change as soon as possible after receiving your cancellation/change request in the manner determined by us from time to time. If you cancel a suspension request before the suspension has begun, it will not count as one of the two suspensions which you are permitted in a calendar year. However, if you change or cancel a suspension request after the suspension period has started running, it will count as one of your two permitted suspensions. MultiChoice Nigeria will not charge you subscription fees for the period in which your access to the MultiChoice Service was suspended.
9 MultiChoice Nigeria may determine that certain aspects of the MultiChoice Service will only be available in conjunction with certain other aspects of the MultiChoice Service.

Terms and conditions of Agreement

10 The terms and conditions on which MultiChoice Nigeria authorises persons to have access to the MultiChoice Service are set out below.

11 By subscribing to the MultiChoice Service you agree to be bound by this Agreement.

Request for MultiChoice Service

12 Your Request must be made telephonically, in writing, or in person to MultiChoice Nigeria or one of our duly authorised representatives.

13 If MultiChoice Nigeria refuses your Request (which MultiChoice Nigeria reserves the right to do), MultiChoice Nigeria will have no obligation to you arising from your Request.

Commencement, duration and place of Agreement

14 This Agreement commences on the date on which MultiChoice Nigeria accepts your Request by activating your subscription to the MultiChoice service.

15 This Agreement is binding on you and MultiChoice Nigeria unless and until –

15.1 MultiChoice Nigeria notifies you (in any manner, whether verbally, electronically, telephonically or in writing) that it is terminating this Agreement with effect from a specified date; or

15.2 the period for which you have paid, and MultiChoice Nigeria has received, full and valid payment of your fees in terms of this agreement expires and you have not yet renewed your subscription for a subsequent period and your subscription to the MultiChoice Service is disabled by MultiChoice Nigeria.
16 Each time you renew your subscription for a subsequent period you do so in terms of this Agreement as at the date of renewal.

17 The termination of this Agreement will not affect –

17.1 MultiChoice Nigeria or the Subscriber’s rights or remedies for the period prior to termination; or

17.2 those rights and obligations which this Agreement intends, either expressly or by implication, will survive beyond termination.

18 Regardless of the place of your Request or of the acceptance of your Request, this Agreement is deemed to be concluded at MultiChoice Nigeria’s principal place of business in Nigeria.

**Hardware**

19 Only you and the members of your household may use the MultiChoice smartcard to access the MultiChoice Service.

20 You may not tamper with the smartcard or attempt to use it for any purpose not authorised by MultiChoice Nigeria.

21 MultiChoice Nigeria may disable the smartcard, whether temporarily or permanently, if –

21.1 any unauthorised person uses the smartcard;

21.2 the smartcard is damaged, lost or stolen;

21.3 you are in breach of this Agreement;

21.4 the period for which you have paid for your subscription to the MultiChoice Service has expired and you have not requested to view the FTA Channels in terms of clause 41 below; or

21.5 it is otherwise reasonable to do so.

22 MultiChoice Nigeria recommends that you –
22.1 access the MultiChoice Service by using a smartcard supplied by MultiChoice Nigeria in an Approved Decoder and in accordance with the User Manual, if any;

22.2 keep the smartcard in the Approved Decoder; and

22.3 keep your decoder connected to the main power supply and to the satellite reception equipment, at least in standby mode, when not in use, to enable the updating of the software in the decoder via satellite. You acknowledge that in standby mode certain Approved Decoders generate heat and that you will position your decoder with these factors in mind.

23 MultiChoice Nigeria cannot guarantee that you will be able to access the MultiChoice Service, or any aspect thereof, either optimally or at all, if you do not act in accordance with the recommendations in clauses 19, 20 and 22.

24 If your smartcard is damaged, lost or stolen –

24.1 you must inform MultiChoice Nigeria immediately; and

24.2 MultiChoice Nigeria will replace the smartcard subject to the payment by you of a replacement fee.

25 You agree to comply with the User Manual applicable to the Approved Decoder used by you, if any.

26 If there is any conflict between the provisions of this Agreement and the User Manual, this Agreement will prevail.

Advanced Decoder Functionality

27 If you own a Decoder with Advanced Decoder Functionality you may request MultiChoice Nigeria to authorise you to use one or more such functions for which you will be obliged to pay the requisite fees. The provisions of clause 28 apply if
MultiChoice Nigeria agrees to your Request by authorising you to use such Functionality.

28 You acknowledge that –

You indemnify MultiChoice Nigeria against any claim by the transferee in relation to such sale or transfer, including any claim by reason of the non-functionality of the Equipment, including in the case of an Approved Decoder with Advanced Decoder Functionality, the non-functionality of the advanced functions or by reason of offensive content stored in the HDD.
If you wish to receive and/or use the MultiChoice Service at an address other than the address referred to in clause 29.3, you must request MultiChoice Nigeria’s prior consent to do so, which request we may consider.

You acknowledge that a breach by you of the provisions of clauses 29 and/or 30 may constitute criminal activity and will result in considerable prejudice and damage to MultiChoice Nigeria and/or our channel suppliers.

In order for MultiChoice Nigeria to provide the best possible Service to our subscribers and to protect the Service and our subscribers against piracy and other risks, and for other reasons necessary to support the provision, operation, maintenance and security of the Service, MultiChoice Nigeria may need to carry out activities which could delay or interrupt the distribution or reception of the Service, or any aspect thereof. You agree that MultiChoice Nigeria may delay or interrupt the service if it is reasonably necessary for this purpose. We will endeavour to limit the duration of such interruptions and delays and, where practicable, to schedule them at times when our Subscribers will generally be least inconvenienced. We will also provide reasonable notice of more substantial delays or interruptions.

In order for you to receive the MultiChoice Service, you must pay MultiChoice Nigeria the requisite fees and any VAT and all other taxes, duties, levies or charges that may be levied by any government authority directly or indirectly in relation to the MultiChoice Service for the number of months determined by MultiChoice Nigeria in terms of clause 6.
